

Clean Up Missouri!

No MOre Trash! Bash

Please join us this spring for the annual bash to clean up Missouri and work together for a litter-free state. Picking up litter is a great way to exercise, get fresh air and create a cleaner place to work, live and play.

During the 2017 bash, more than 43,000 bags of trash and several truckloads of debris were cleaned up. People also attended numerous educational events across the state stressing the importance of not littering. Many of Missouri's more than 5,200 Adopt-A-Highway groups participate in the annual bash.

Clean up Missouri

The 2017 Grand Prize winner for the statewide trash can contest was "Oscar will be your fan, if you keep it in the can!" from Cowgill Elementary in Cowgill, Mo.

Thank you!

Many of you are already keeping your community and public spaces clean and we thank you for that service! To raise awareness of No MOre Trash! this spring, we invite you to:

- pick up litter
- educate others about litter
- conduct a litter-free activity
- encourage friends and family to participate

Report your activity online at www.nomoretrash.org, scan the QR code, or detach and mail the After-Activity Report card by May 31. Each team member who participates in an activity will receive a No MOre Trash! Bash 2018 lapel pin.

No MOre Trash! Bash 2018 supports the year-round litter-prevention campaign, No MOre Trash!, a partnership of the Missouri departments of Conservation and Transportation and thousands of volunteers.
